

SCOUT & WOLF

CREATIVE, FINE ART DOCUMENTARY PHOTOGRAPHY

capturing the soul of childhood, family, love & life

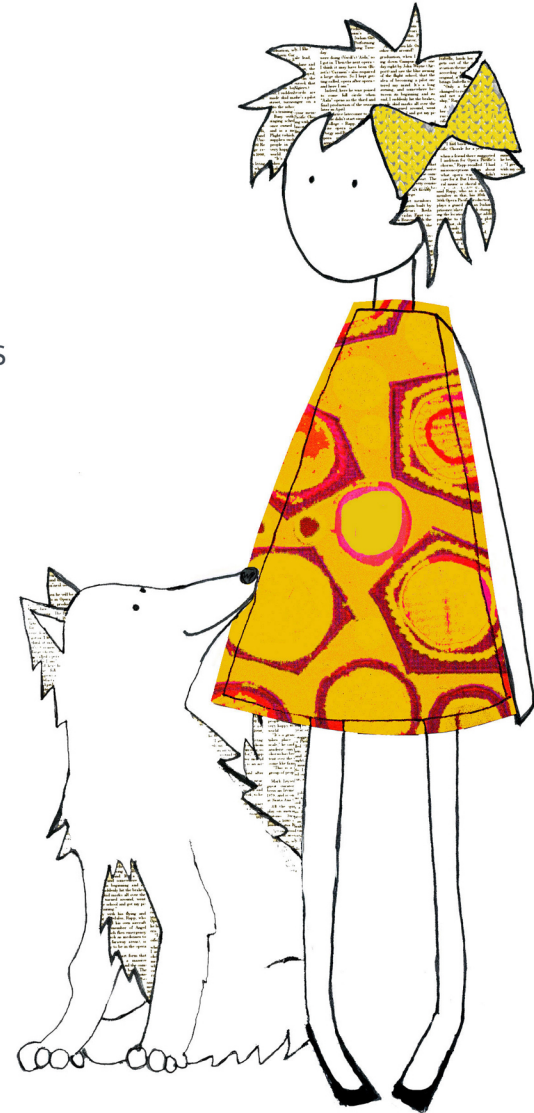

SCOUT & WOLF

Hi, I am Samantha and I have been photographing children and their families for quite some years. I have a passion for creating beautiful images which epitomise the freedom and soulful nature of childhood.

With a degree in Early Years Child Care & Education and many years spent working in the childcare sector, I maintain a philosophy for the right of all children to explore their environment and develop in an expressive and creative way.

My photography style blends together the art of fine art portraiture with honest documentary storytelling which captures the interaction of children within their family and the creative way in which they express themselves.

Photography sessions are not staged, the aim is to capture the joy in your ordinary life, to preserve the real moments and create heirloom portraiture.

SESSIONS

PORTRAIT SESSIONS are 2 hour photography shoots with your family either in your home or at a location of your choice.

Photo sessions are not staged, the aim is to capture the joy in your ordinary life, to preserve the real moments

DAY IN THE LIFE SESSIONS are either half or full day sessions capturing a Day in the Life of your family.

Breakfast until bed-time... and everything in between.

Largely undirected, captured with a photojournalistic approach the sessions are not staged, The aim is to capture the everyday life, to preserve the real moments.

They are a window into the heart and soul of your family.

FAQ

WHEN DO YOUR PORTRAIT SHOOTS TAKE PLACE?

Usually portrait shoots take place during the week as I have much wider availability (I also photograph weddings so free weekends are hard to come by!). During the spring and summer months, weekday shoots can be held early evening due to the lovely light and long days, so it is no problem to schedule them in after work or school.

IS TRAVEL INCLUDED?

All travel is included within a 40 mile radius of York. Outside of this area, there is a supplementary travel fee of 45 per mile, or train fares covered where appropriate. (for example, it is usually more time & cost-effective to take the train for shoots in central London)

WHAT IF IT RAINS OR WE UNEXPECTEDLY HAVE TO RE-SCHEDULE?

No problem at all. If it rains we will always have a backup location in mind and often it is no problem to reschedule the shoot for another day if the weather or ill-health are going to make things completely impossible. In the case of a Day in the Life shoot then the rain does not really effect the shoot at all, it sometimes adds to it! The session fee is non-refundable in cases of total cancellation but it can be transferred to another date if you simply want to postpone or reschedule.

HOW LONG AFTER THE SHOOT WILL WE SEE THE PICTURES & HOW DO WE CHOOSE WHAT WE WANT?

Within 3 weeks of the shoot you will receive a link to your own special highlights slideshow and full gallery, both of which you can view on line and share with your friends & family. I do not believe in pressuring people with face-to-face sales meetings so the entire ordering process is completed remotely and conveniently via email (or telephone if you prefer) using the online gallery and order form. From the gallery you can conveniently browse through all the images and choose which ones you would like, in your own time, from the comfort of your own home.

WHAT DOES HAVING THE 'DIGITAL FILES' MEAN? CAN WE PRINT THESE & SHARE THEN WITH OUR FRIENDS & FAMILY?

Absolutely! As is standard practice, I retain copyright but I grant you unlimited printing rights. This means I give you high-resolution digital images (files) that you can print to your hearts content & share with your friends & family. The only thing you cannot do is to sell or modify them.

IS THERE A MINIMUM SPEND ON PRODUCTS?

There is a minimum spend product spend of £150 for clients within 40 miles of York and a minimum product spend of £350 for clients outside this area. Most clients invest between £500 & £2000 on their photography.

BOOKING

WE THINK YOU ARE THE PHOTOGRAPHER FOR US, HOW DO WE GO ABOUT BOOKING YOU?

Brilliant! Just drop me an email (info@scoutandwolf.com) or give me a call (077934 33311) Let me know who you want photographing, whereabouts you would like the shoot to take place & roughly when you would like it to take place & we will find a date for your shoot.

HOW DO WE CONFIRM THE BOOKING & SECURE A DATE FOR THE SHOOT?

To secure the shoot date you just need to pay the non-refundable session fee of £75/£150 any travel expenses (if applicable) & complete the booking form which I will email to you. Simple!

IT MIGHT TAKE US A WHILE TO GET THE BOOKING FEE TOGETHER, CAN YOU PENCIL US IN?

Unfortunately, no I can't I'm afraid. Lots of people are after the same dates so the only way to reserve the date is to complete the booking form & pay the session fee.

WHEN ARE PRODUCT PAYMENTS DUE?

Any payments for products are due after the shoot, once you have decided which items you would like & before they are put into production.

HOW CAN WE PAY?

You can pay by bank transfer (preferred) or by debit/credit card via the online gallery. Just drop me an email and I will send you all the details.

WHAT HAPPENS AFTER WE BOOK YOU?

I will send over a Welcome pack outlining what you can expect from me and some helpful information & advice about the shoot. I can't wait to meet you!
